## Professional Summary

---

Highly skilled and results-driven software engineer with experience in designing, developing, and implementing innovative software solutions. Proficient in various programming languages and frameworks, with expertise in ReactJs, NextJs, NodeJs, Ruby, Ruby on Rails, Tailwindcss, JavaScript, and TypeScript. Strong problem-solving abilities and a track record of delivering robust, scalable, and high-performance applications. Proven success in collaborating with cross-functional teams to drive project success and meet business objectives. Committed to staying current with emerging technologies and continuously improving skills. Passionate about creating efficient and user-friendly software solutions that enhance the end-user experience.

## Skills

---

- |                     |                   |
|---------------------|-------------------|
| ▪ Creative thinking | ▪ Problem-solving |
| ▪ ReactJs           | ▪ NextJs          |
| ▪ JavaScript        | ▪ Ruby on Rails   |
| ▪ HTML              | ▪ TailwindCss     |

## Experience

---

*Kenya Education Management Institute*  
*IT Systems Assistant*

*Nairobi*  
*Feb 2022 - Feb 2023*

- Assessed risks to systems to meet quality, security and compliance requirements.
- Tested and debugged complex programs to identify vulnerabilities and security issues.
- Developed procedural manuals and trained users on system requirements.
- Executed complex migrations, upgrades, installations and configurations.
- Examined performance trends to implement process improvements.
- Wrote and updated mainframe and computer application programs.

*Ministry of Education*  
*ICT Intern*

*Nairobi*  
*Jun 2021 - Jan 2022*

- Identified, resolved and escalated issues impending project success.
- Supported projects with equipment layouts and workflow designs.
- Support of E-Learning and content development in line with the schemes of work
- Providing classroom support and training school teachers in the use of digital literacy devices and softwares
- Support implementation of the Digital Literacy Programme
- Carrying out innovations to enable schools to improve on the use of digital learning

- Provide support in the safe, secure, and ethical use of technology in learning
- Assist teachers by integrating ICT in delivery of teaching, learning, assessment and reporting

*GreatRift Travelling and Courier Company*  
*ICT Technician*

*Nairobi*  
*Jan 2019 - Sep 2020*

- Trained users in proper use and care of computers to reduce and eliminate potentially damaging errors.
- Removed viruses and unwanted software from desktop operating systems using logical and systematic processes.
- Conducted in-depth hardware diagnostics and repairs to restore functionality and extend lifespan of computer systems.
- Added new hardware, software, security patches and other updates to improve functionality of computer systems.
- Installed conduit, connection boxes and devices to complete networks and tested pieces for functionality.
- Developed and executed customized data recovery strategies to retrieve critical data from damaged or corrupted systems.

## Education

---

*Moringa School*  
*Software Engineering*

*Nairobi*  
*Jun 2023*

- Moringa School's partnership with Flatiron School, one of America's top tech bootcamps, enables it provide enhanced curriculum, with a comprehensive and up-to-date education that aligns with industry demands.

*Chuka University*  
*Bachelor of Science: Computer Science*

*Nairobi*  
*Oct 2018*

- Graduated with honors.

## Languages

---

English, Fluent
